**Purpose**

To establish a standard procedure for accepting service of papers in lawsuits naming individual members of the Board of Supervisors as defendants in their official capacity.

**Background**

Occasionally actions are brought which name the individual members of the Board of Supervisors as defendants in their official capacity. The law requires that the summons and complaint must be served personally on the individual supervisor or a person authorized by such supervisor to accept service. The purpose of this policy is to designate a person authorized to accept service on behalf of the individual members of the Board of Supervisors when sued in their official capacity.

**Procedure**

It is the policy of the Board of Supervisors that:

- 1.The individual members of the Board of Supervisors designate and authorize the County Counsel to accept service of papers on behalf of each member of the Board of Supervisors in any action where the individual member is sued in his/her official capacity.
- 2.Persons seeking to personally serve an individual member of the Board of Supervisors where such member is sued in his/her official capacity shall be advised of this policy and directed to the secretary of the County Counsel located in Room 355 County Administration Center, 1600 Pacific Highway, San Diego, CA 92101.
- 3.The County Counsel shall advise each member of the Board of Supervisors of any papers served pursuant to this policy.

**Sunset Date**

This policy will be reviewed for continuance by 12-31-01.
